Adoption-Related Expenses are Estimates Only - This Fee Schedule does not include ALL adoption-related expenses that Adoptive Parent(s) pay directly to third parties. These expenses include, without limitation, (a) travel costs, which vary considerably with the season and area of travel; (b) home study (for out-of-state clients); or (c) certification/authentication fees charged by other parties, which can greatly differ from state to state. While MAA's U.S. stateside agency fees will not change during your adoption, all other fees, including foreign program fees are subject to changes beyond our agency's control. The costs of these expenses are within the authority of third parties over whom MAA has no control, and, therefore, the costs may change at any time. MAA assumes no liability if the actual cost of any of the expenses estimated on the Fee Schedule exceeds the estimates.

Fee Categories. In accordance with Hague regulations, all adoption fees are identified by the following categories:

Grants will be deducted from agency fees that are due with submission of the dossier. It is part of MAA's mission to provide grants to help place children in need. MAA may be able to offer monetary grants based on a child's special needs and a family's financial situation. Please ask us for details and an application. Application forms are reviewed by the Grant committee of MAA's Board of Directors.

Some fees are a reasonable estimate; actual costs vary depending on circumstances including time, location, duration, etc. All fees are subject to change and any fees not paid to MAA are not under the control or discretion of MAA.

The fees charged for authenticating a family's dossier includes all third party carriers, fees, and domestic couriers. If a family completes their own dossier authentication, they must provide MAA with original set and two sets of copies. If MAA has to copy family's dossier, an additional \$200 fee will be charged for time and expense.

GRANT RECEIPT AND DISBURSEMENT POLICY –

Many adoptive families are applying for and receiving grants from various foundations to help pay for adoption processing costs. Families are also receiving direct donations from individuals and advocacy groups. MAA will follow the procedure outlined below:

1. MAA will run a final statement for all fees due to MAA.
2. Credits will be issued only for amounts over the final statement amount.
3. Refund checks to the adoptive family will be issued prior to travel.
4. It is the adoptive family's responsibility to pay for adoption costs and expenses as they are due.
5. MAA cannot disburse funds to an adoptive family in advance of receiving the grant or donation check. Checks must clear the bank before they are credited to a family's account.
