EXEMPT PROVIDER INFORMATION

Dear Partner in Adoption,

Greetings from Madison Adoption Associates (“MAA”)! We are sending you this packet as you have been designated as an Exempt Provider for one of MAA’s placement families.

This packet contains valuable information that you must review and return to our agency ASAP if you wish to work with our agency as an ***Exempt Provider for this SPECIFIC CASE***. **Please note, in order to work cooperatively on a home study (“HS”) or “Exempt” provider, the following criteria must be met:**

1. The home study must be completed by a licensed adoption agency. Home studies by independent social workers will not be approved.
2. The social worker must be an agency employee, NOT an independent contractor.
3. The licensed home study agency must be a 501(c)(3) non-profit agency.
4. The social worker must meet the requirements of the family’s state of residence.
5. The home study agency must have Hague or COA accreditation.
6. The home study agency must disclose to MAA the suitability information listed in §96.35, which is found on Schedule D of the following agreement.

If you meet the above initial criteria, there are three steps necessary to work cooperatively with our agency for this case. They are:

1. Complete and Return Exempt Provider agreement and required documents;
2. Complete Home Study Report according to the attached guidelines;
3. Complete all Family Specific paperwork

As always, feel free to contact us with any questions as you complete each step.

Any changes in suitability to serve as a Exempt Provider (as per Schedule D- Hague regulation 96.35) must be reported to MAA within 30 days of learning of the change.

MAA will keep all supporting documents on file for any future cases with our agency. However, the exempt provider agreement is client specific, and updated copies of any expired documentation must be received before starting any consecutive case.

STEP #2: COMPLETE HOME STUDY REPORT ACCORDING TO ATTACHED GUIDELINES

For consistency, accuracy, and comprehensiveness, we require you to complete the home study report using our guidelines. Regardless of your agency's Hague accreditation status, MAA requires that we review and approve all HS reports prior to report finalization.

If concerns regarding the family arise during their process, we ask that you reach out to MAA immediately to discuss. As, if the concern would prohibit the family from moving forward with MAA, we would want to inform them of that as soon as possible.

STEP #3: COMPLETE AND SUBMIT ALL FAMILY SPECIFIC PAPERWORK

To ensure that each family has received comprehensive training and discussion with the home study social worker regarding this training, the following family specific documents are required to be completed as part of the home study. They are:

- ✓ Record of Adoptive Parent Training
 - ✓ Social Worker and Adoptive Parent Affirmation Statement
 - ✓ Hague Training Verification Statement

These forms are found on our website here (<http://www.madisonadoption.org/wp-content/uploads/2018/08/01-Training-Forms-Bundled-8.2018.pdf>) and **must be** submitted prior to MAA reviewing and/or approving the home study report. **Home studies will not be reviewed if these three forms, as well as the "Home Study Guidelines and Checklist" are not included with the HS draft.**

As the home study is the cornerstone of the adoption process, we thank you for your diligence in ensuring that every one of our mutual families has been evaluated and prepared as thoroughly as possible.

Please contact us with any questions or concerns. Thank you for your partnership and your efforts! We look forward to working with you!

Sincerely,

Diana Bramble, MBA, MSW
